SUBJECT: DEADLINE TO COMPLETE RESTORE LOUISIANA SURVEY – JULY 20, 2018

The Restore Louisiana Homeowner Assistance Program is dedicated to helping homeowners affected by the March and/or August 2016 floods repair and restore their damaged homes or get reimbursed for work already completed. The first step in requesting assistance is completing the homeowner survey.

The deadline to complete the homeowner survey is JULY 20, 2018.

You can take the survey online at <http://restore.la.gov/> or by phone at (866) 735-2001 from 8 a.m. to 6 p.m. Monday through Friday. All flood-impacted homeowners are strongly encouraged to complete the survey. Even if you don't think you qualify now, you may qualify as more funding becomes available or program policies change in the future. The program will be unable to consider homeowners who have not submitted a survey by the July 20 deadline. The deadline does not apply to homeowners who have already submitted a survey or an application.

To inform homeowners about the program survey deadline, a series of outreach events are scheduled across the state – for events in your area, see: <http://restore.la.gov/events/>.
